Sir,

Subject - Acquisition of an extent, of 500'x100' and
another extent of 250'x100' contiguous to the
area, acquired for the staff quarters of the
Electrical Department in Hassan village -

I have the honor to state that the Chief Electrical Engineer wrote to this office stating that an extent of 500'x100' as well as another extent of 250'x100' contiguous to the extent of land already acquired for the construction of staff quarters, was required for the construction of some more quarters for operators and linemen of his Department and that the said extents may be acquired

2 The Sub Division Officer, Hassan was asked to take necessary action in the matter. It is reported, that the extents of land in question lie in S Nos, 120, 121 and 214 of Hassan village, that all these are Devadaya Inam lands, and that a total extent of 1 acre and 29 guntas has to be acquired for the purpose

3 The value of the lands in question is estimated at Rs 250/- per acre. The cost of acquisition including statutory allowance

and 25 years' assessment as well as cesses on the said area of land amounts to ₹ 600/- approximately. The Municipal Council, Hassan, have agreed to meet the cost of acquisition out of their funds and to hand over the said extents of land to the Electrical Department, as per terms of the agreement for town Electrification Schemes.

4 In these circumstances, I recommend that the lands in question may be acquired. As the matter is urgent, I request that sanction of Government may kindly be obtained under Section 17 of the Land Acquisition Regulation, to take possession of the sites on the expiration of 15 days from the date of the publication of the notifications in the Gazette. I herein enclose the preliminary as well as final notifications, in English and Kannada, in duplicate, in the special form, for favour of publication in the Mysore Gazette. 25 spare copies of each of the printed notifications may kindly be arranged to be supplied to this office for local publication.

5 The Assistant Commissioner in charge of Hassan Sub Division may kindly be appointed to perform the functions of a Deputy Commissioner, under the Land Acquisition Regulation and authorised to take order for the acquisition of the said properties.

6 The entire file of connected vernacular records ending with Memo No L A P 7/35 dated 6th September 1935, from the Sub Division Officer, Hassan Sub Division is forwarded herewith for kind reference and return.

It is not known whether the owners of the properties in question are agreed to part with the lands as
